

Back By Popular Demand - Cash Rebates Available with the Purchase of select SOLAR Octane Series and Christie Service Bay Fast Chargers!

United States Redemption Form

The *Octane Series* from **SOLAR** provides a complete range of wheel battery chargers to meet the needs of automotive professionals and fleet maintenance facilities.

From the economical OS6110 12 Volt Battery Charger to the versatile OS6150 Fleet Charger, *Octane Series* wheel battery chargers deliver the features and conveniences needed in today's service environment:

- Enhanced Transoid™ Transformer delivers exceptional durability and efficiency
- Quad Force™ Rectifier designed to meet the demands of everyday use
- Rugged, Industrial-Grade Clamps for strong battery connections
- EZ View™ Control Panel enables easy access and monitoring during service
- Comfort Walk™ Handle provides hassle-free maneuverability in the shop
- Versa-Trex™ Wheels allow easy mobility on any type of surface
- All units ship fully assembled, saving time and effort right from the start.

Christie Service Bay Fast Chargers deliver maximum performance, advanced technology and superior quality to a wide variety of service environments.

Christie Service Bay Fast Chargers boast exclusive safety features that make battery charging safer for both the operator and the vehicle being charged. Our exclusive Voltage Spike Protection and Automatic Reverse Polarity Protection features prevent damage to vehicle electronic systems from reverse boosting and electrical surges/spikes. These features also prevent sparks resulting from reverse connections, which can cause battery explosions.

Made in the USA, Christie Service Bay Fast Chargers feature hallmark Christie-Tough™ construction. Not just a vague concept, it is a tangible aspect of the product that is clearly evident during its first use and after hundreds of uses.

BATTERY CHARGER REBATE REDEMPTION FORM
